Time starts	On audible signal		
Procedure	Engage all targets as they become visible FOFS from designated area		
RO briefing			
Course designer	Rene Voss		
Notes			

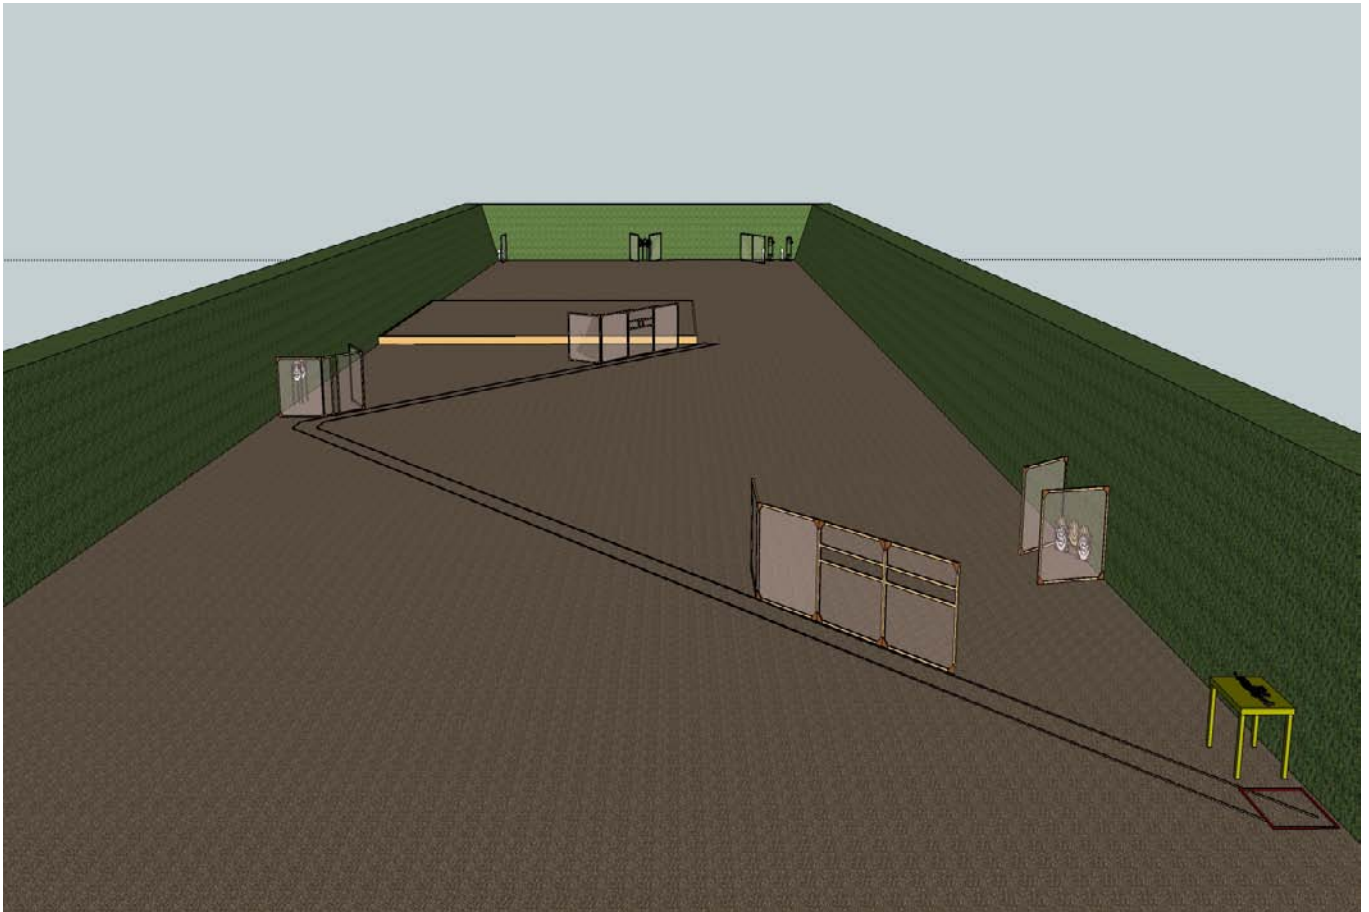

Danish Open IPSC Rifle Championships 2012.

STAGE 3 (Range 11)

Stage type	Long	Type of scoring	Comstock
Minimum rounds	24	Max. Possible points	120
Targets	10 IPSC, (2 on swingers) 4 Poppers		
Distance	5 – 80 meters		
Start position	Standing behind table relaxed		
Gun condition at start	Option 3		
Gun position at start (other than normal start position).	Rifle lying flat on table. Grip must be inside the table surface. All magazines in retention devices.		
Time starts	On audible signal		
Procedure	Engage all targets as they become visible FOFS from designated area		
RO briefing			
Course designer	Rene Voss		
Notes			

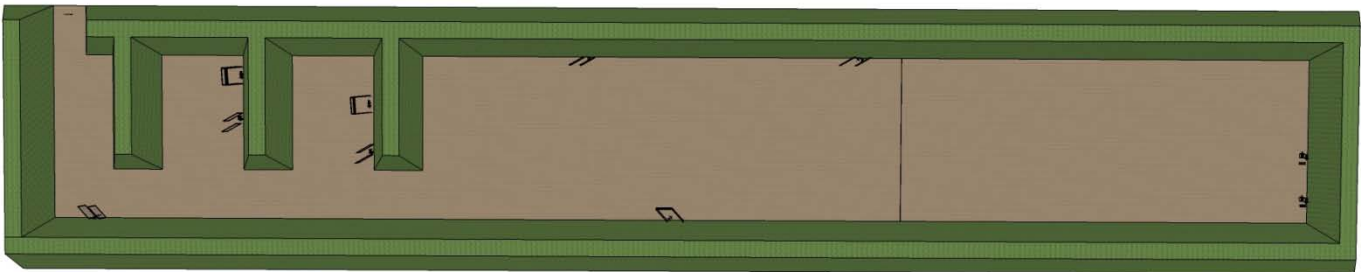

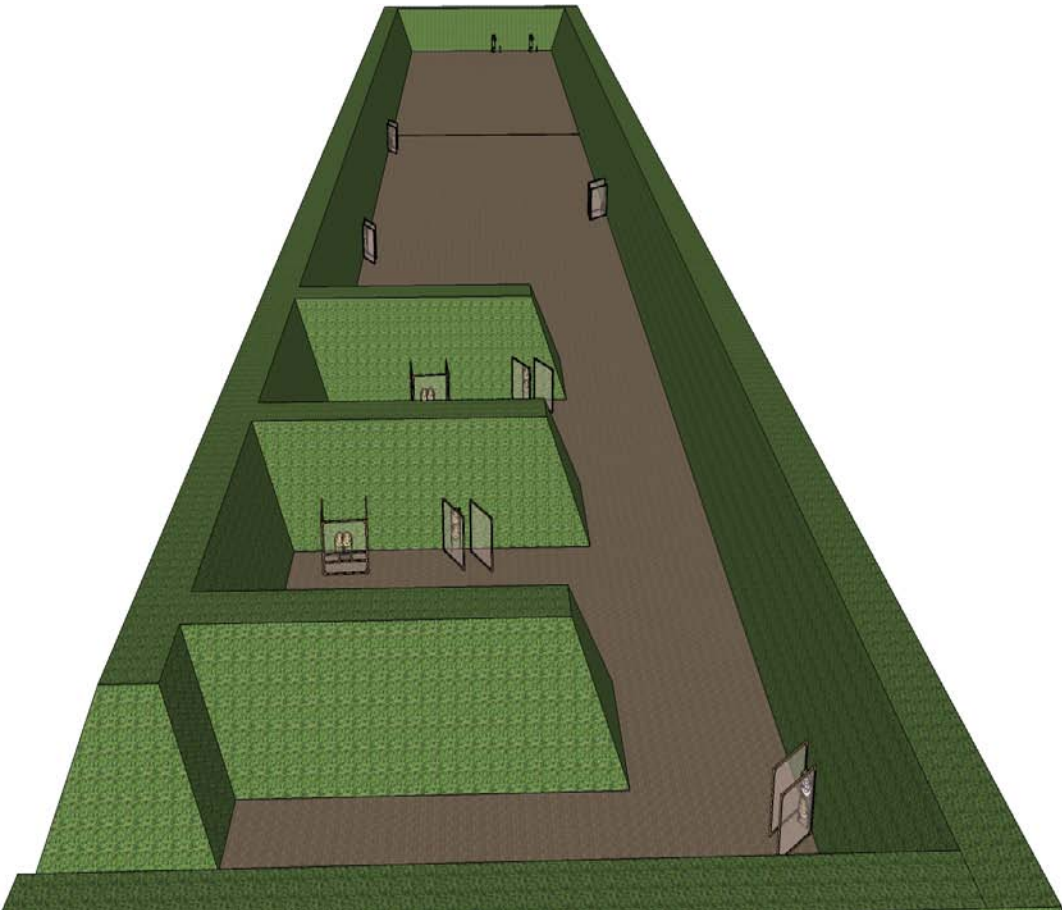

Danish Open IPSC Rifle Championships 2012.

STAGE 4 (Range 10)

Stage type	Long	Type of scoring	Comstock
Minimum rounds	36	Max. Possible points	180
Targets	17 IPSC, (2 on swingers) 2 Poppers		
Distance	5 - 160 meters		
Start position	Standing relaxed heels touching green wood		
Gun condition at start	Option 1		
Gun position at start (other than normal start position).			
Time starts	On audible signal		
Procedure	Engage all targets as they become visible FOFS from designated area		
RO briefing			
Course designer	René Voss		
Notes			

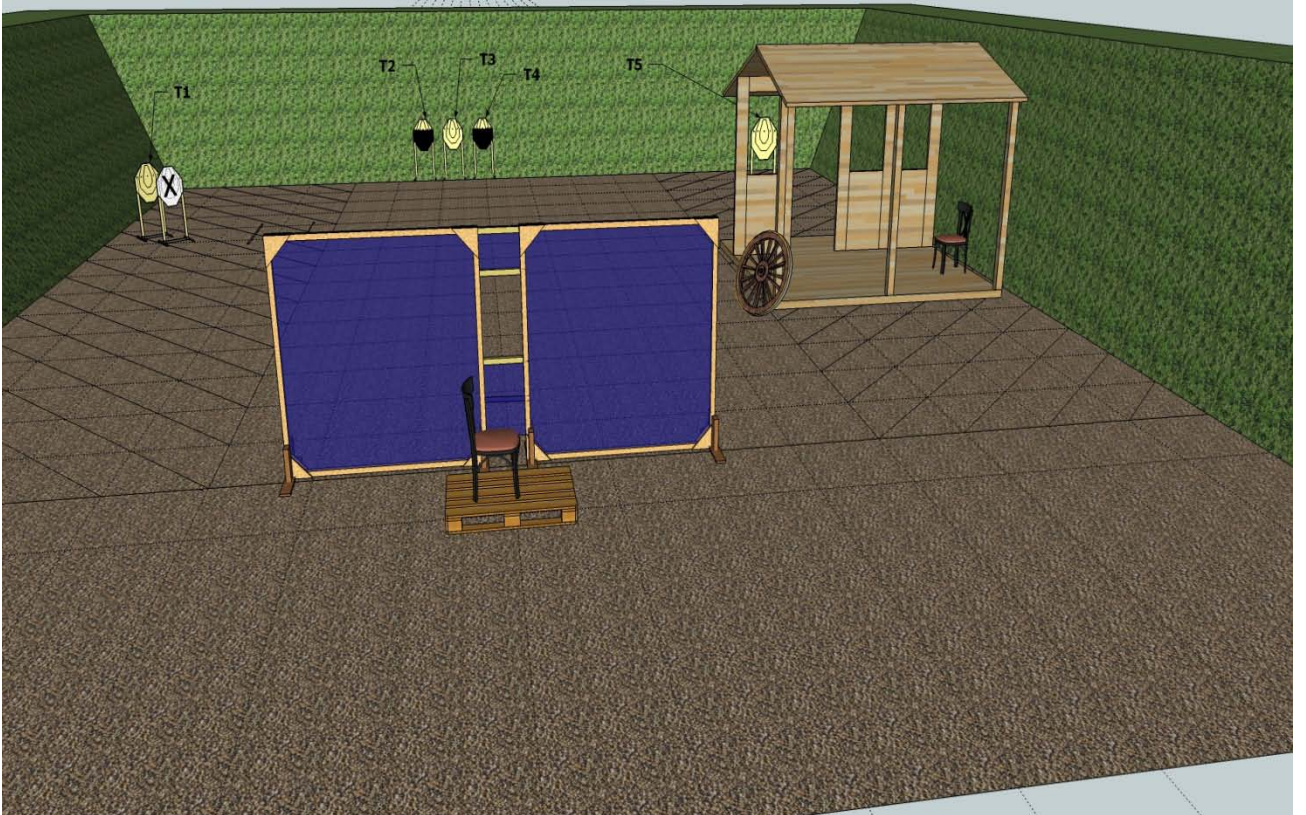

Danish Open IPSC Rifle Championships 2012.

STAGE 5 (Range Cowboy)

Stage type	Short	Type of scoring	Comstock
Minimum rounds	10	Max. Possible points	50
Targets	5 IPSC mini targets, two of which have hard cover		
Distance	5 – 15 meters		
Start position	Sitting on chair, back against back rest. Body facing 90 degrees left or right side of the aperture.		
Gun condition at start	Option 1		
Gun position at start (other than normal start position).	Rifle laying on lap, pointing downrange.		
Time starts	On audible signal		
Procedure	On signal, engage all targets sitting on the chair, free order free style. Shots fired while not remaining seated will induce one penalty per shot fired.		
RO briefing			
Course designer	Christian Ditlev Jensen		
Notes			

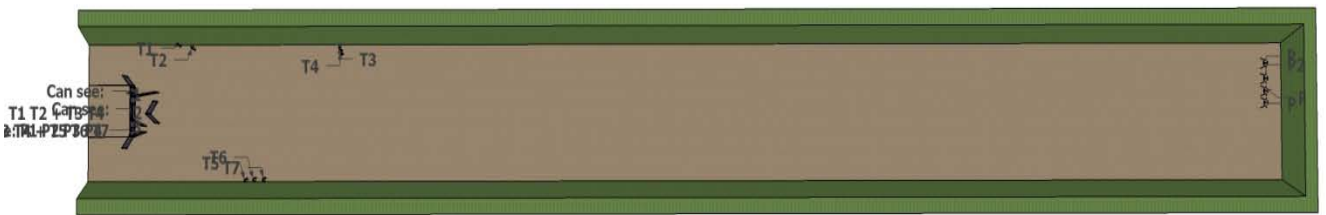

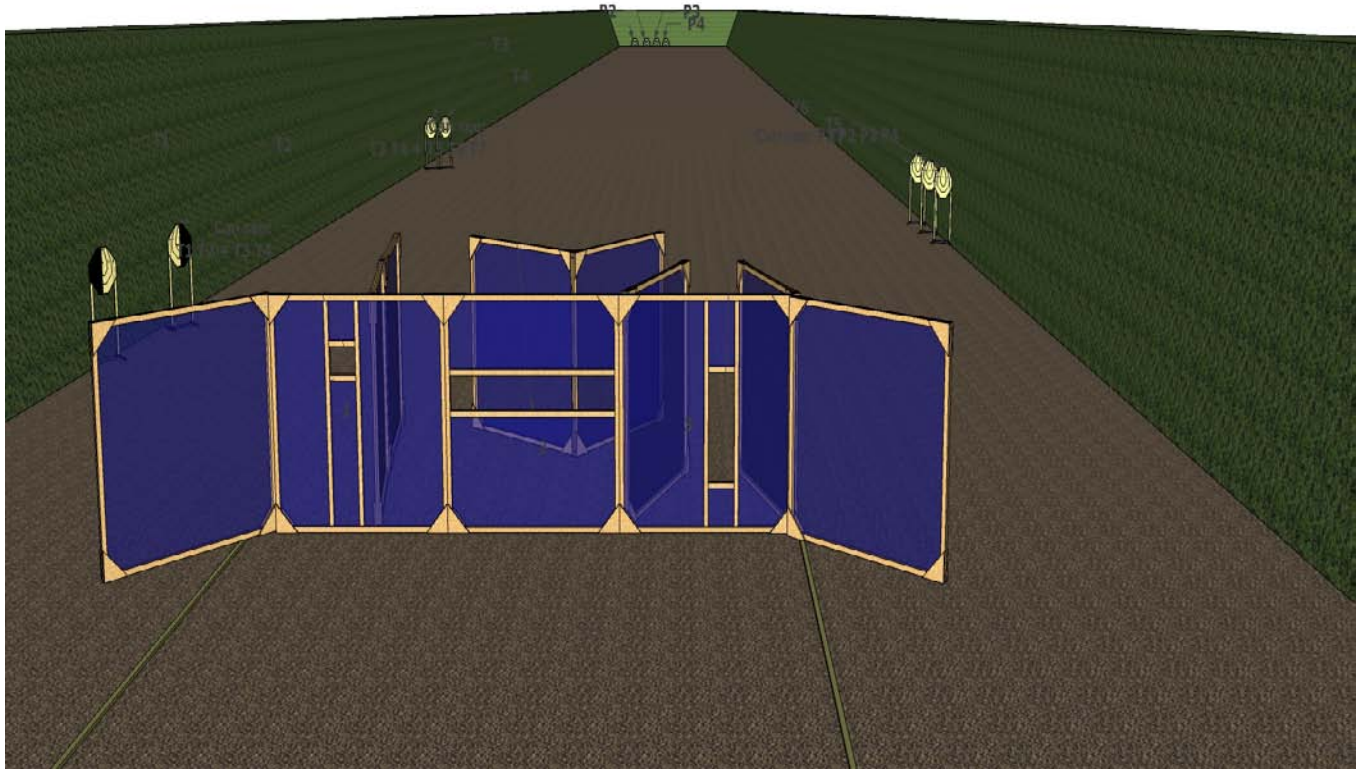

Danish Open IPSC Rifle Championships 2012.

STAGE 6 (Range 200M)

Stage type	Medium	Type of scoring	Comstock
Minimum rounds	18	Max. Possible points	90
Targets	7 IPSC, (two of which have hard cover). 4 self resetting steel		
Distance	10 – 200 meters		
Start position	Standing relaxed anywhere inside designated area		
Gun condition at start	Option 1		
Gun position at start (other than normal start position).			
Time starts	On audible signal		
Procedure	Engage all targets as they become visible FOFS from designated area		
RO briefing	Beware of proper scoring of the self resetting steel targets. Low power ammo may not result in much movement. Dedicate one RO to shout 'HIT' when movement is observed.		
Course designer	Ebbe Wolff		
Notes			

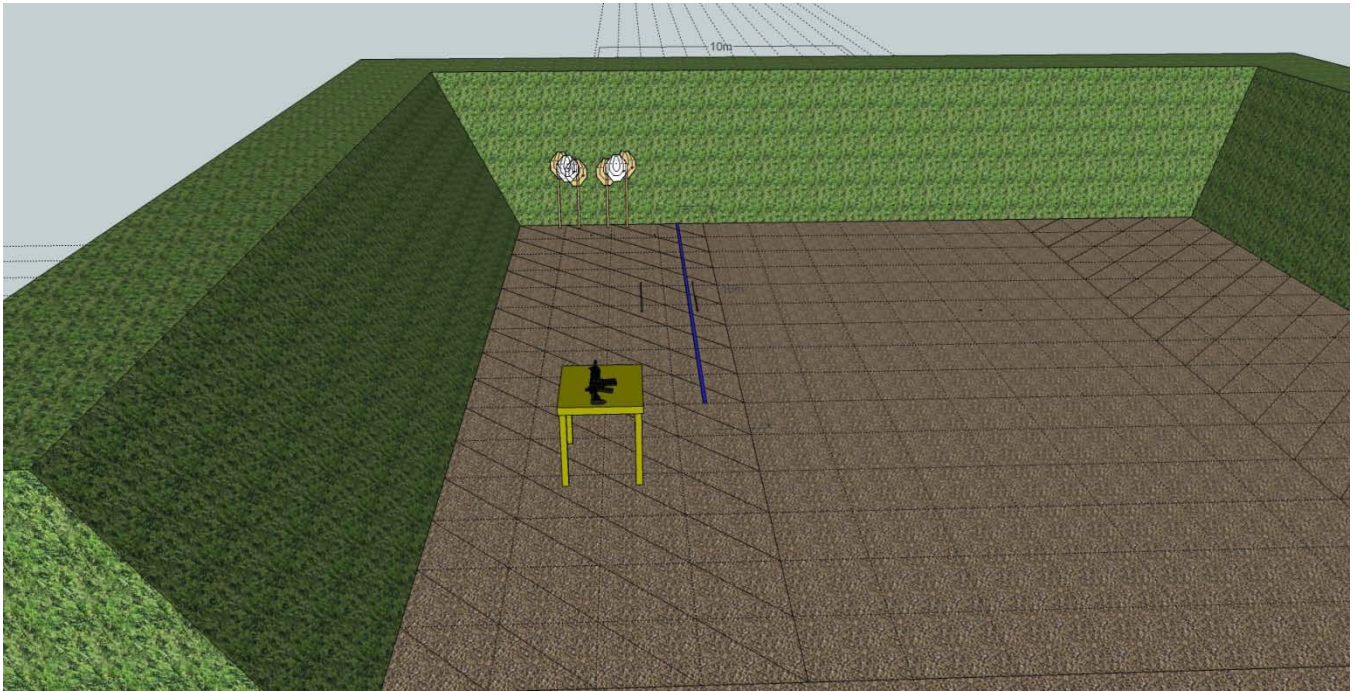

Danish Open IPSC Rifle Championships 2012.

STAGE 7 (Range 16L)

Stage type	Short	Type of scoring	Comstock
Minimum rounds	8	Max. Possible points	40
Targets	4 IPSC Mini		
Distance	10 meters		
Start position	Standing relaxed anywhere inside designated area

RO briefing	Hot range with Stage 13, shoot Stage 7 first.		
Course designer	Lars Hagemann		
Notes			

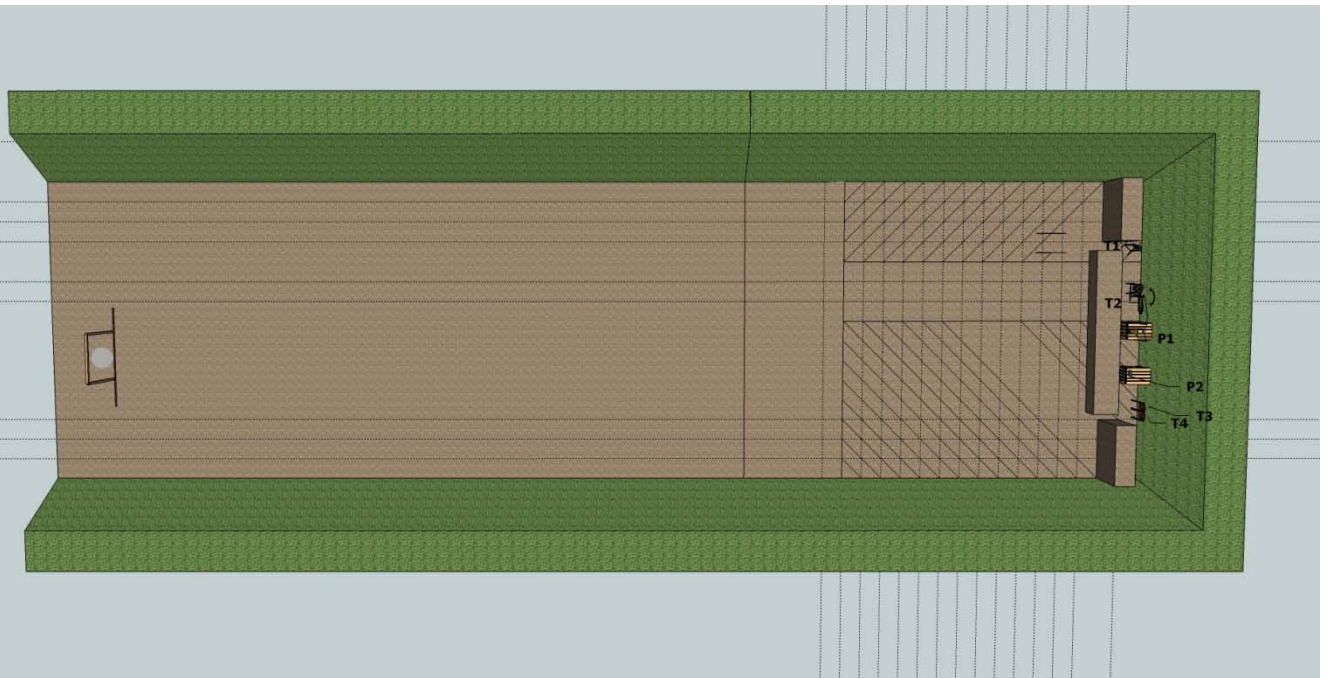

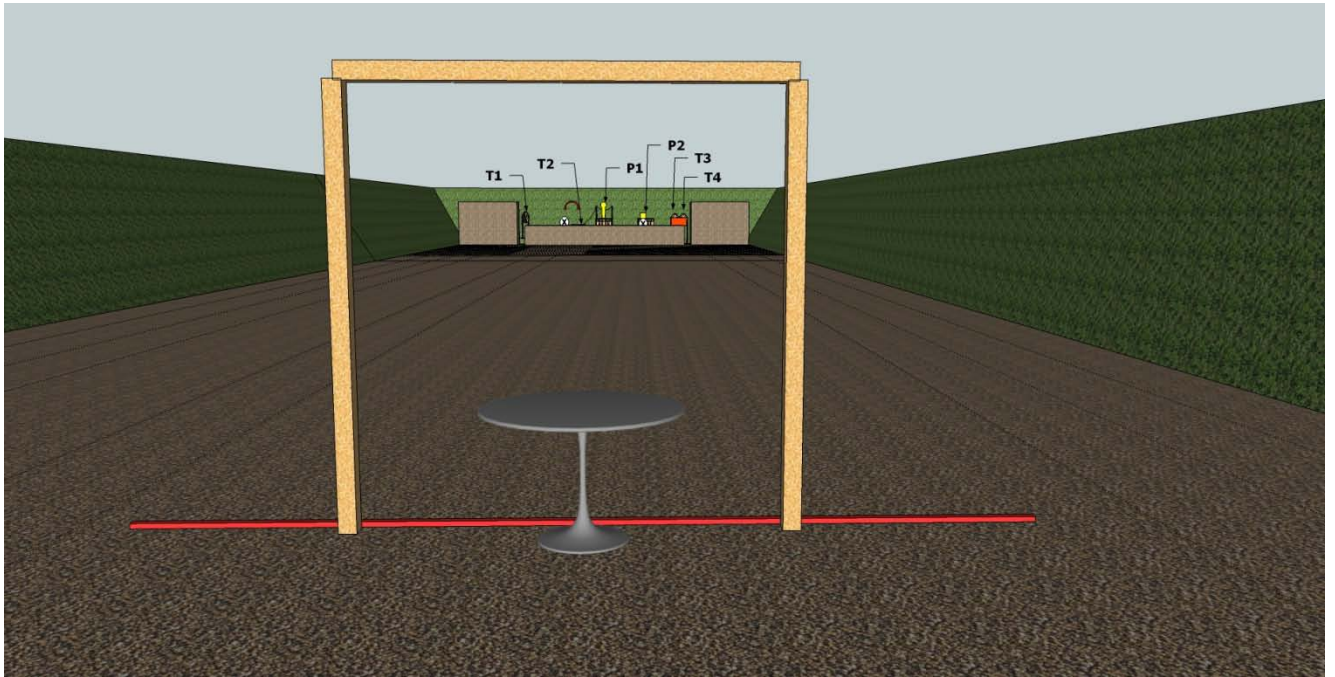

Danish Open IPSC Rifle Championships 2012.

STAGE 8 (Range Running Pig)

Stage type	Short	Type of scoring	Comstock
Minimum rounds	10	Max. Possible points	50
Targets	4 IPSC IPSC targets, one of which has hard cover, 1 popper and 1 plate		
Distance	60 meters		
Start position	Standing relaxed heels touching wood.		
Gun condition at start	Option 3		
Gun position at start (other than normal start position).	Standing behind table, rifle lying flat on table. Grip must be inside the table surface. All magazines in retention devices.		
Time starts	On audible signal		
Procedure	Engage all targets as they become visible FOFS from designated area. Popper activates swinger which remains visible at all times. Plate in front of double targets is soft cover, (made of resealing neoprene, hiding half of the IPSC target).		
RO briefing	Swinger is almost hidden behind no shoot, with only a very small portion of the highest scoring area showing at rest.		
Course designer	Christian Ditlev Jensen		
Notes
